Map Quiz: 10 Mystery Countries

Can you name each country from its shape alone?

How to play

1. Look at each shape. It has no borders, labels or neighbours to help you.

2. Write your guess on the line. The hint tells you which continent it is in.

3. Check the answers at the back.

Scoring

3 points for a right answer with the hint covered up.
1 point for a right answer using the hint.
Top score: 30. Aged 8 to 108, play alone or race a friend.
